school Newsletter

welcome note

To our returning students/parents and guardians, welcome back. We have a pretty good number that has joined the Iris fraternity! We extend a warm welcome to you all. Thank you for entrusting us with your little one. You will find IRIS a fantastic start for the early year's foundation, new friendships and ONE community

August to October is our third and last term in the school calendar. Teachers are all set in their class objectives. We urge to support your child's teacher by reading and signing the diary that comes home daily.

Important Notes \ Reminders:

1. Reporting time: 8am to 8:30 especially for the PPI and for those not on school transport. Pick-up time: 3PM
2. Please send your child with a handkerchief and a pack of wipes.
3. We advise parents NOT to send toys and any snacks to school.

school fees

To enable smooth running of the school, fees should be paid within the first week of the new term. Thank you to the parents/guardians who have cleared on time. Kindly arrange to clear the same or communicate with the office for any arrangements.
